

## Weddings & Events at the Morris House Hotel

The Morris House Hotel, with its historic charm and breathtaking 4800 square foot courtyard garden, is truly a hidden gem nestled in center city in the heart of Washington Square. When you walk through our wrought iron gates and enter the garden, it feels as if you have been transported to the south of France. Come experience a colonial timepiece of elegance and romance with exceptional service that exceeds your expectations.

We invite you to have your event at our historic property and choose the ideal venue space. A wedding, rehearsal dinner, or shower in our beautiful courtyard garden. A holiday dinner or birthday party in our main dining room and bar. A corporate meeting or small gathering in our library. To have your event here is to choose a venue like no other.

Come make history here at the Morris House Hotel.

Our on-site events coordinator will see to it that your every need is met, whether you want a hand in every detail or simply want your party to fall into place.
